FASTFINGERPRINTS IS NOW ACCEPTING FINGERPRINT CARDS FOR FLORIDA BACKGROUND CHECKS!

FastFingerprints has expanded its Florida fingerprint services via the Columbus (Bethel Road) Ohio office. FastFingerprints is now able to accept fingerprint cards from out-of-state individuals wishing to obtain a Florida background check.

Previously, FastFingerprints only offered out-of-state residents Level 2 Live scan fingerprinting, (sent electronically to Florida Department of Law Enforcement) from the Columbus, Beachwood, and Westlake, Ohio offices. An individual must be present at one of these locations, in order to submit their fingerprints. All three locations are FDLE approved and certified to submit fingerprints and the photo, required by AHCA and DOH, directly to the FDLE.

As of February 3, 2014, FastFingerprints' new Florida fingerprint card submission process allows individuals, not currently living in Florida or Ohio, to mail fingerprint cards to FastFingerprints, which are then scanned, and electronically submitted to FDLE. The fingerprints are processed through the FDLE, and results are delivered to the state agency requesting the background check. All fingerprint cards must be sent to the Bethel Road, Columbus, OH office.

Please visit www.FastFingerprints.com and click the FL & OH Fingerprint Card Scanning page for more information, including pricing and the Florida Card Scanning application.

About FastFingerprints

FastFingerprints, a division of National Background Check, Inc., has been a leader in the services, technology, and equipment required to process state and FBI background checks via electronic fingerprinting for over 14 years. In addition to 16 locations here in Ohio and 22 in Florida, FastFingerprints' parent company (NBCI), is one of the few companies in the nation to be recognized by the FBI as an approved FBI Channeling Agency that processes FBI requests for federally legislated purposes. More information on acquiring an FBI criminal history check for federal reasons, not for Ohio state legislative reasons, can be found at www.nationalbackgroundcheck.com under the Fingerprinting and FBI Channeling tab. FastFingerprints welcomes walk-ins, and are available for mobile screening appointments.
